Objective

Rising junior pursuing a B.S. in Mechanical Engineering at the University of Iowa. I am seeking a summer internship to showcase knowledge, work ethics, and skills to grow as an engineer. I am eager to contribute to innovative engineering projects while applying practices and problem-solving methods developed at the University of Iowa.

Skills

- Technical Skills: C++, MATLAB, CAD
 - Engineering Skills: Prototyping, circuit design, system integration, 3D modeling
 - Professional Skills: Leadership, teamwork, conflict resolution, adaptability, time management

Engineering Experience

American Society of Mechanical Engineers

2024-2025

- IAM3D Drone Project: Designed structural CAD components for drone base within strict weight restraints. Soldered and wired circuits, gaining hands-on experience with power distribution and electronic systems.
- IAM3D Rover Project: Modeled rover chassis and drive components in CAD, exploring optimization strategies for strength and weight reduction. Implemented first-person view camera integration for real-time navigation and data collection.
- Collaborated with cross-disciplinary teams to solve design challenges, reinforcing ability to merge mechanical and electrical knowledge.
- Strengthened technical writing and presentation skills through team reporting and competition deliverables

Education

University of Iowa | Iowa City, IA

2028

B.S.E. Mechanical Engineering | Focus Area: Robotics and Autonomous systems

Benet Academy | Lisle, IL

2020-2024

GPA - 4.0/4

- Honors & Leadership: National Honors Society, High Distinction Honor Roll Awards, Illinois All-State Scholar Athlete, All-Conference

Professional Experience

Brothers Bar & Grill | Iowa City, IA

Apr 2025-Present

Bouncer, ID Checker

- Promoted to Floor Manager for demonstrating leadership and accountability. Supervised staff during peak hours, ensuring smooth operations and compliance with safety standards.
- De-escalated conflicts while maintaining guest safety, honing strong interpersonal and crisis-management skills.
- Verified guest IDs with accuracy and professionalism, strengthening attention to detail and adherence to legal requirements.
- Coordinated communication across bar, floor, and security staff to streamline workflow and guest experience.

White Chocolate Grill | Naperville, IL

Jun 2025 – Aug 2025

Food Runner

- Elevated from Food Runner to Kitchen & Floor Advisor by demonstrating reliability, adaptability, and leadership.
- Delivered food with speed and accuracy while managing guest satisfaction in a high-volume restaurant.
- Oversaw kitchen–floor coordination, ensuring timely preparation, quality control, and seamless communication between servers, chefs, and management.
- Developed problem-solving skills under pressure while improving efficiency and customer service standards.
